Management is responsible for the preparation and presentation of this interim financial information in accordance with the accounting standards No. 34 "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

### **SCOPE OF REVIEW**

I conducted my review in accordance with auditing standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

### **CONCLUSION**

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with the accounting standards No. 34 "Interim Financial Reporting".
